INFORMATION ABOUT THE SERVICE

MINIMUM CONTRACT TERM

Freedom Internet plans are available on a 6 month contract or on a no lock-in contract basis. A 6-month contract gives access to a \$0 setup and \$10 monthly loyalty discount.

EQUIPMENT REQUIRED

Depending on your location and whether you wish to use our limited-data plans with any third-party device such as a gaming console or smart TV, you may require a pre-configured Wi-Fi router at your premises. Please contact our Customer Service team on +61 7 3067 3676 to check whether you will require a router.

BROADBAND SPEEDS

Broadband speeds vary due to a number of factors, including:

- Network capacity
- Set up at your apartment (such as location of your modem and how the internet is used in your apartment)
- Whether your device is connected by Wi-Fi rather than Ethernet cable

ACTIVATION

At the time of activation one of the data points in your apartment will become Ethernet active. Standard activation enables the service to network Boundary Point (data point) at your premises.

USAGE INFORMATION

Customers can obtain information on their Broadband usage at <https://myaccount.freedominternet.org>.

BILLING

We will bill you in advance for the minimum monthly charge. When signing up online your first month of monthly charges will be charged in advance. This upfront payment will be applied to your first monthly bill. Your credit/debit card will be charged every 30 days from the date of your plan activation.

If you choose to pay your subscription by direct debit and a direct debit on the payment date is unsuccessful, we will reattempt the direct debit for up to 5 business days until the payment is successful.
